

**FALLEN LEAF LAKE CSD
FIRE DEPARTMENT / GENERAL MANAGER / OPERATIONS
REPORT
December 1, 2018**

RESPONSES

- The fire department responded several times during the month of September, October and to the Camp Fire in November.

TRAINING

- Training will continue in May of 2019.

VOLUNTEER PERSONNEL / SEASONAL PERSONNEL

- The fire department is operational in winter mode.

APPARATUS / EQUIPMENT

- All 4x4 apparatus is operational.

LOCAL AGENCIES / AGREEMENTS

- All local area agency agreements are in place

PROJECTS AND PREVENTION

- The remount project for Brush 9 is underway. The fire apparatus body is removed from the chassis and painting will be done in December. Bids are being received for the NFPA lighting package. The new International Chassis is ordered and should be arriving early 2019. The remount project will be completed prior to May 1, 2019.

The following are vendors for the project:

Frank Jones Diesel - Remount

Silver State International – Chassis

Silver State Industries – Painting

Sierra Electronics – Lighting Package and Communications Radios

-

STORE / MARINA

- The Store and Marina are closed.
